On February 26th from 9:00AM - 12:00 PM, I will be skiing, snowboarding, cross country skiing, snowshoeing or volunteering at the first annual Vail Christian Academy Ski-a-Thon. The Ski-a-Thon is a school-wide community event at Arrowhead Ski Area on Beaver Creek Mountain centered around strengthening friendships outside in the beauty of God's creation. The purpose of the Ski-a-Thon is to build relationships within our VCA community, be a light in our greater community and raise $30,000 to bridge the gap between tuition and annual operating expenses at VCA. The funds raised will also be used to fund scholarships for our sweet school!
